PROFESSIONAL EXPERIENCE

Web Developer - Gray Digital Group - San Antonio, TX **January 2014 - Present**

- Worked with Account Executive, Project Manager, and Designers to determine client requests and estimate time (cost) needed to research, design, develop, test, and launch projects. These projects included small single page features to full on client site redesigns and builds.
- Trained clients on how to use the admin interface for WordPress, Joomla, Drupal, and Sitefinity content management systems. This also included custom features where we would customize the admin interface for easy management by clients.
- Quality assured sites after development to track cross platform browser support, HTML validation, script errors, usability, and build quality. Would also suggest better implementation of features and changes even if time was not provided to propose as improvements to clients in the future.
- Prototyped site functionality using Yeoman site generators, which in itself uses Gulp, Bower, and Foundation 6 with Sass. This led to the development of standard build systems for WordPress and Sitefinity to be used along side shell scripts to automate the startup of new projects.

Web Designer - DigitalBlake.com - San Antonio, TX **January 2013 – Present**

- Designed digitalblake.com a mobile responsive site based on Bootstrap and HTML 5 Boilerplate.
- Programmed Joomla 3.x modules for social media sharing without utilizing JavaScript.
- Designed and programmed Joomla 3.x image loading module for miguelsequivel.com

Web Designer Developer – PPDG, Inc. – San Antonio, TX **February 2012 – January 2013**

- Coordinated migration of all websites to new server running up to date PHP, MySQL, and Apache.
- Designed and programmed Employee Portal on Joomla 2.5 for 600+ field employees.
- Trained corporate office of 30+ employees on operation and business rules of Employee Portal.

EDUCATION

Northwest Vista College – San Antonio, TX **January 2010 – January 2012**

- Associates of Applied Science in Digital Media, January 2012, GPA 3.87
- Marketable Skills Achievement Award Web Designer, May 2011
